Projects

balune (App Store)

Balune is a modern dating app designed to connect people looking for meaningful relationships or casual connections. With an intuitive interface, smart matching algorithms, and secure messaging features, Balune makes it easy to discover, chat, and build connections with compatible singles near you. The app emphasizes safety, user privacy, and genuine interactions, helping users find matches that really fit their lifestyle and interests.

Elshalom Stores, <https://elshalomstores.com.ng>

Elshalom Stores is a modern e-commerce platform offering a wide range of products—from household items and kitchen appliances to cosmetics and phone accessories. Designed for a seamless shopping experience, the website features easy browsing, secure checkout options, and real-time order tracking. Whether you're shopping for daily essentials or special items, Elshalom Stores makes online shopping convenient, reliable, and enjoyable.

Olos Gaming, <https://olosworld.com>

Olos Gaming is an innovative Web3 gaming platform that combines blockchain technology with immersive gaming experiences. Players can own, trade, and earn digital assets like NFTs while engaging in exciting games. With secure, decentralized mechanics and a vibrant community, Olos Gaming empowers gamers to play, earn, and truly own their in-game achievements in the evolving world of Web3.

Jekana, <https://www.jekana.com>

Jekana is a sleek online storefront designed to showcase and sell products effortlessly. With an intuitive interface, customizable displays, and secure checkout options, Jekana helps businesses connect with customers, manage inventory, and provide a seamless shopping experience—all in one digital space.

Elshalomdecor, <https://elshalomdecor.com.ng>

Elshalom Decor is a contemporary interior design platform dedicated to transforming spaces into stylish, functional, and personalized environments. From concept to execution, it offers expert design ideas, curated décor products, and practical solutions to make every home or office both beautiful and comfortable.

Flowbooks, <https://www.getflowbooks.com>

FlowBooks is a modern digital platform for managing your finances and accounting with ease. It helps individuals and businesses track income, expenses, invoices, and reports in real time, providing clear insights for smarter financial decisions. With intuitive design and automated features, FlowBooks makes bookkeeping simple, accurate, and stress-free.
